HAND MADE IN MARGARET RIVER

## GLASS SLIPPER

### WINEMAKER NOTES

A small parcel of Chardonnay and Semillon grapes from Rosa Brook was selected for Glass Slipper. The grapes were handpicked, crushed and pressed before the juice was ready to start fermentation. Brandy spirit was later added to stop fermentation early, resulting in a sweeter and higher alcohol fortified wine. The wine was kept on lees for 12 months and had a total of 30 months in aged cognac barrels.
